# KNOW ABOUT LANE MCNAB INTERIORS

Located in a spacious light-filled studio near the renowned Fourth Street Shopping District in Berkeley, California, Lane McNab Interiors infuses a sophisticated sensibility into residential and commercial interiors.

The firm specializes in primary and secondary homes, boutique retail spaces, and large-scale projects with a vast knowledge of historical architecture. Opened in 2012, LMI is known for its artful approach to sophisticated living.

“Searching for elegant pieces with richness and sustainability built in has always been a challenge, but it's a pursuit my firm actively engages in with each project.

I firmly believe that the most effective way to care for our planet is to say goodbye to disposable culture. Instead, we should invest in quality pieces that resonate with us and endure for generations.

Ultimately, sustainable design is about embracing what you truly love and intend to cherish indefinitely. Adhering to this principle yields not only a beautiful but also a fulfilling and enduring home design.”

LANE MCNAB | Founder and Principal

Our carefully curated selection of heritage-quality furnishings draws inspiration from nature and is crafted to endure for generations. Each item in our GUILD by LMI furniture collection is meticulously made to order by skilled artisans in California who take pride in showcasing their craftsmanship to the world.

# KANU COFFEE TABLE

42"W x 17"H | Custom sizes available

Simple, elegant, and sculptural— available in solid wood materials including white oak, reclaimed white oak, or walnut complemented by plant-based, non-toxic finishes.

"The design for the Kanu line was inspired by a visit to the Florida panhandle, where I spent my childhood. The curved shape of the table top resembles the bowls of dugout canoes I vividly remember seeing on field trips to local museums. The untamed beauty of the wild forests and marshlands in the area left a lasting impression on me."

# KANU CONSOLE TABLE

60"W x 30"H x 15"D | Custom sizes available

Simple, elegant, and sculptural— available in solid wood materials including white oak, reclaimed white oak, or walnut complemented by plant-based, non-toxic finishes.

"The Kanu Console Table draws inspiration from the sculptural forms of rice benches, pagodas, and ancient stone temples scattered throughout Europe. Its classic silhouette holds a timeless appeal that resonates with the human psyche. Through meticulous design, craftsmanship, and the use of premium materials, this table is elevated to become a striking heirloom piece."

# HART SOFA

8'-10"W x 40"D x 32"H | Custom sizes available

Simple, elegant, and sculptural, the Hart Sofa is available in standard COM. Crafted with premium materials, including solid wood frames and recycled steel springs, it features eight-way hand-tie construction and a commitment to sustainable manufacturing. Handcrafted in Northern California.

"The design of the Hart Sofa was inspired by the snow-covered meadow outside a cabin near Mount Shasta during winter. The undulating drifts of pure white presented a serene and beautiful backdrop, evoking a cozy feeling that I aimed to translate into the sofa. Picture curling up by the fire, gazing out the window – it captures that same sense of warmth and tranquility."

Table (one pedestal) | 45-80"L x 32"W x 30"H  
Custom sizes available

The Monument Dining Table offers premium materials, eco-friendly finishes, and sustainable manufacturing. Choose from one or two pedestal bases, and oval, round, or rectangular tabletops, with options including water-based or non-toxic plant-based finishes.

"I was seeking a dining table that embodied both elegance and a commanding presence, while also prioritizing quality and sustainability, but struggled to find the perfect combination. Drawing inspiration from a love of historical sculptural forms, the Monument line was born. The design for the Monument line was inspired by ancient towers and monuments, with a primary focus on the materials and craftsmanship."

# MANTA BED

Available in queen, king, and CA king  
54" headboard height x 90" post height

The Manta Bed features solid wood, solid unlacquered heirloom brass, COM and COL options, and Belgian linen. Crafted with premium materials and sustainable manufacturing practices, it embodies quality and eco-consciousness.

"The inspiration for the Manta Bed came to me after interacting with these massive, graceful Manta Rays swimming off the coast of Hawaii. Their scale and elegance perfectly aligned with the vision I had for this bed's design. Environmental impact is a paramount concern for me, so meticulous attention to material selection was imperative. Fortunately, prioritizing quality materials and artisan craftsmanship aligns with environmental stewardship."

# MANTA BED

A wooden martini table with a cup on top. The table is a light-colored wood, possibly oak, with a smooth finish. It has a tall, tapered, conical base that flares out at the bottom. The top is a flat, circular surface. A simple, dark-colored ceramic cup with a handle is placed on the table. The background is a plain, light-colored wall with a slightly textured surface. The lighting is soft and even, highlighting the natural grain of the wood.

# BUTTON MARTINI TABLE

12"W x 18"H | Custom sizes available

This elegant martini table may be small in size, but it exudes a mighty presence. The Button is perfectly suited for holding a drink, a book, or a cup of coffee.

“The Button Table is simple and organic in its shape and the perfect little partner for any room.”
